To whom it may concern

Thank you for the opportunity to add my voice. NO increases please!  
Between price of gas, hydro, heat, groceries, taxes, my poor budget is blown.

We cannot simply afford to keep getting nickelled and dime'd with increases. You say it is only x\$ a year on average...then hydro does same.... Then water, then house and income taxes, ...and the snow ball grows to make it unacceptable overall.

Thank you for consideration
