Hi Sir/Madam,

I oppose this proposed rate increase of Enbridge. There are no noticeable improvements in their service level due to the rate increase. In their proposal, Enbridge has indicated the rationale as combining their zones and using a common rate. Why should I be paying more for their business integration?

I COMPLETELY AND STONGLY OPPOSE THEIR REQUEST TO RAISE THE RATES. YOU SHOULD COMPLETELY REJECT THEIR REQUEST AND FREEZE THE RATES.

Thank you,
Janak Sanghadia
