Dear Ms. Marconi;

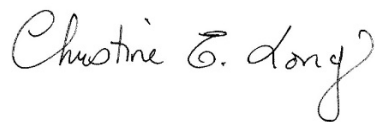

**RE: APPLICATION BY ALECTRA UTILITIES CORPORATION FOR DISTRIBUTION RATES
EFFECTIVE JANUARY 1, 2023 (EB-2022-0185)**

On August 3, 2022, Alectra Utilities filed an application with the Ontario Energy Board (“OEB” or the “Board”) under Section 78 of the *Ontario Energy Board Act, 1998* as amended and pursuant to the OEB’s *Filing Requirements for Incentive Rate-setting Applications* seeking approval for electricity distribution rates, and other charges, effective January 1, 2023. The Board assigned File Number EB-2022-0185 to the Application.

The Board issued a Draft Decision and Rate Order (“the Draft Decision”) on this matter on November 24, 2022. The Board directed Alectra Utilities to advise the OEB, in writing, of any concerns (e.g., typographical or transposition errors, omissions, need for clarification, etc.) with respect to the Draft Decision, by December 1, 2022.

Alectra Utilities has reviewed the Draft Decision and rate order and has no concerns.

Yours truly,

Christine E. Long
Vice President, Regulatory Affairs
