I am shocked, dismayed, and outraged at the OEB even considering allowing Enbridge to further increase gas prices. With Enbridge's monopoly on gas, this is simply a matter of greed and frankly, extortion. The cost of living is skyrocketing, and Enbridge won't be left behind in the race to impoverish Ontarians. My EMPP increased by a staggering \$50 in 2022 - why? What about the "credit" I should have received from the previous year? Where is this money going? My bills are impenetrable, it's impossible to reach a human being by phone, and I can only assume this pattern of opacity will continue as Enbridge gets richer, and richer, and richer. I urge the OEB with all my being to STOP this madness.
