Dear Ms. Marconi:

**RE: EPCOR Electricity Distribution Ontario Inc. ("EPCOR")
Ontario Energy Board ("OEB") File No. EB-2022-0028
Cost of Service Application – Settlement Proposal – Extension Request**

Further to our letter of November 11, 2022 regarding the outcome of the Settlement Conference in this proceeding, EPCOR and the intervenors continue to work diligently towards finalizing a Settlement Proposal (partial settlement) that can be filed with the Board.

However, the parties need additional time to complete this crucial step. Accordingly, EPCOR is requesting a brief extension of time to ensure a complete and accurate submission. We anticipate that the parties will be in a position to file a proposal on or before the end of day on December 9, 2022.

Please contact the undersigned if any questions.

Yours truly,
