Dear Mr. Hesselink:

**Re: EPCOR Electricity Distribution Ontario Inc. (EPCOR)
2023 Cost of Service Rate Application
OEB File Number: EB-2022-0028**

The Ontario Energy Board received a request on December 2, 2022, from EPCOR for an extension to the date for filing a settlement proposal from December 5, 2022, to December 9, 2022.

EPCOR advised that the parties continue to work diligently toward finalizing a settlement proposal (partial settlement) but will require additional time to complete this work and ensure a complete and accurate submission.

The OEB grants the extension. Accordingly, the date set out in Procedural Order No. 4 (PO 4) for OEB staff to file its submission on the settlement proposal will be amended from December 9, 2022, to December 15, 2022.

PO 4 also set a date of December 15, 2022, for EPCOR to present the settlement proposal (partial settlement) to the OEB. In light of the extension of the filing deadline for the settlement proposal, the December 15, 2022 presentation is cancelled and will be rescheduled to a later date if required.

Yours truly,

Nancy Marconi
Registrar
