Attention Ms. Kirsten Walli, Board Secretary

Dear Ms Walli,

**Re: Enbridge Gas Distribution Inc.
Application for Rate Increase
Ontario Energy Board File No.: EB-2022-0200.**

I represent Unifor, a trade union that is the bargaining agent pursuant to the *Labour Relations Act, 1995* for various employees of Enbridge Gas in all parts of Ontario. This letter is Unifor's application for intervenor status in the hearing of this application which is an application to raise natural gas rates.

Unifor has a direct interest in the outcome of the application. The employees for whom Unifor acts as bargaining agent are involved in all aspects of the operations of Enbridge and have particular knowledge of the issues in the application including issues about safety, security and customer service. Unifor has participated in other OEB proceedings.

If granted intervenor status, Unifor intends to participate actively in all aspects of the hearing. The hearing should be an oral hearing as other intervenors have requested.

We do not make a request for costs at the present time.

Copies of all written materials filed in connection with the application may be provided to me at the following contact information:
