Dear Ms. Marconi:

**Re: Independent Electricity System Operator
2023 Interim Usage Fees**

Pursuant to section 25(1) of *the Electricity Act*, the Independent Electricity System Operator (IESO) respectfully requests approval to charge its approved 2022 usage fees on an interim basis beginning January 1, 2023 to domestic and export consumers, until the end of the month in which the IESO's 2023 usage fees are approved.

The IESO's approved 2022 usage fees are \$1.3329/MWh for domestic customers and \$1.0126/MWh for export customers.

The IESO will file its Revenue Requirement Submission in which it will propose 2023 usage fees, after the Minister approves its 2023-2025 Business Plan.

Please contact me directly at 416-710-0620 or Beverly.Nollert@ieso.ca if you have any questions.

Sincerely,

Beverly Nollert
