Re: **EB-2018-0278 Activity and Program-based Benchmarking Initiative / Revised Decision on Cost Eligibility**

In accordance with section 41.02 of the Ontario Energy Board's (OEB's) Rules of Practice and Procedure, the Ontario Energy Board is reissuing its Decision and Order on Cost Eligibility, originally issued on December 1, 2022.

This revised Decision and Order includes Pollution Probe and Vulnerable Energy Consumers Coalition on the list of parties that are eligible to apply for an award of costs. These parties had inadvertently been left off the list in the decision when it was issued on December 1. There are no other changes to the decision.

Yours truly,

Nancy Marconi
