Dear Mr. Molon:

**Re: GrandBridge Energy Inc
2023 Distribution Rate Application
Ontario Energy Board File Number: EB 2022-0017**

The Ontario Energy Board (OEB) provided a draft Decision and Rate Order and a draft Tariff of Rates and Charges in relation to the above-noted proceeding on December 1, 2022. On December 6, 2022, in its comments on the drafts, GrandBridge Energy Inc. noted the Rate Generator model for the BPI rate zone was not populating a service charge for the MicroFIT service classification.

The rate generator model for the BPI rate zone has been updated and is now showing a service charge for the MicroFIT service classification.

The OEB has now issued a final Decision and Rate Order, together with a final Tariff of Rates and Charges. Copies of these documents are enclosed with this letter.

Yours truly,

Nancy Marconi
Registrar
