**Subject:** Consumers Gas Rates{f0282cf3-69a8-11ed-9b0a-005056aea2fb}

To whom it may concern:

I get an email this morning stating Consumers Gas wants to raise my rates by another \$28.00 when only three months ago they raised my monthly equal billing from \$126.17 to \$192.17 that's a whopping \$66.00 a month. It's hard enough being a senior and trying to make ends meet and stay healthy with all these increases. Enough is enough when it comes to these increases, IT MUST BE STOPPED!
