I am opposed increase of rate. EBD is charged each customer \$25 /month + delivery charges + rate. So even you used small amount of energy, each month is min.\$35. Which is higher. I generally paid monthly to EBD is @\$100 /month.

For my min usage. If I stopped using furnace that shows me \$50 min. My electricity bill will increased \$25 to use of electric heater in home. EBD rates are higher than other companies.
