Re: The Federation of Rental-housing Providers of Ontario (FRPO) – Cost Claim Filing Extension

On December 15, 2022, the Ontario Energy Board (OEB) issued its Decision and Order in this proceeding which among other matters established dates for the filing of cost claims for cost eligible intervenors.

On December 8, 2022, FRPO filed a letter requesting the OEB accept its cost claim if filed after the December 5, 2022 deadline. FRPO explained that the delay in filing was due in part to its attention on the substantial amount of evidence related to Enbridge Gas Inc.'s 2024 rebasing application.

The OEB grants FRPO's request. The OEB has accordingly revised the dates for the filing of cost claims and any objections as shown below:

1. FRPO shall submit its cost claim for its participation in the proceeding no later than **December 16, 2022**.
2. Enbridge Gas Inc. shall file with the OEB and forward to all parties any objections to FRPO's claimed costs no later than **January 10, 2023**.

All other dates established in the Decision and Order remain unchanged.

Yours truly,

Nancy Marconi
Registrar
