Dear Ms. Long:

**Re: Orangeville Hydro Limited
Application for Electricity Distributor Licence
OEB File Number EB-2022-0288**

On December 15, 2022, the OEB issued a Decision and Order approving the electricity distributor licence renewal request by Orangeville Hydro Limited (Orangeville Hydro).

The Decision and Order that was issued, inadvertently omitted the Town of Grand Valley, in the description of Orangeville Hydro's electricity distribution area. The OEB has corrected the typographical error. The OEB notes that this omission did not impact the Decision and Order as the licence issued did include all of Orangeville Hydro's service area.

In accordance with the provisions of the Decision and Order issued on December 15, 2022, and Rule 41.02 of the OEB's Rules of Practice and Procedure, the OEB is reissuing the Decision and Order to reflect the correction.

Please see attached the amended Decision and Order.

Yours truly,

John Pickernell
Manager, Applications Administration
