Dear Ms. Marconi:

**Re: Algoma Power Inc. ("API") 2023 IRM Application (EB-2022-0014)
Decision and Rate Order dated December 8, 2022**

After further review of the tariff sheet issued in the Decision and Order dated December 8, 2022, API has discovered the following error.

On the Residential R1 Service Classification only there is an error on the description of the following rate rider:

Rate Rider for Prospective Lost Revenue Adjustment Mechanism Variance Account Disposition (2023)- effective until December 31, 2023

The correct rate rider should read:

Rate Rider for Disposition of Lost Revenue Adjustment Mechanism Variance Account (LRAMVA) (2020) - effective until December 31, 2023

(emphasis added)

The unit of measure and amount are correct.

Please direct any questions or correspondence in this matter to the undersigned.

Sincerely,
