**RE: DISTRIBUTION LICENCE AMENDMENT APPLICATION – ALGOMA POWER INC.
EB-2009-0403**

Dear Ms. Walli:

Algoma Power Inc. has been asked to provide clarification related to the dating of the direct mailing to each customer that was provided in our earlier submission to the Board on December 11, 2009.

The direct mailing, which has been included with regular electricity invoices to our customers, was dated as "Fall 2009". This date format was used to accommodate the issuance of the notices over an extended period. Algoma Power Inc. began sending out the notices concurrent with the first billing cycle after the name change. With bi-monthly billing of residential customers, the final issuance of notices will be in December 2009.

Yours truly,

Doug Bradbury
Director, Regulatory Affairs
