Dear Ms. Walli:

**Re: EB-2009-0242 – York Energy Centre LP (“York”) – Electricity Generation License Application (“Application”) – Response to Submissions of Interested Parties**

Yesterday we submitted correspondence on behalf of York that inaccurately summarized the nature of Ontario Nature’s interest in the Cawthra Mulock Nature Reserve as “the land it holds in trust for the Province of Ontario.” However, the description that Ontario Nature provided in its submission to the Board is below:

Ontario Nature is the owner of the 270-acre Cawthra Mulock Nature Reserve in King Township, located between Bathurst Street and Dufferin Street, north of Green Lane. The Ontario Heritage Trust holds a heritage conservation easement agreement over the entire nature reserve property....

York does not disagree with the above description. We regret any confusion the error may have caused.

Yours very truly,

  
for: Gordon M. Nettleton
