**Attn: Nancy Marconi, Registrar**

Dear Ms. Marconi:

**Re: EB-2022-0044 – Kingston Hydro 2023 – Cost Claim**

We are counsel to the School Energy Coalition ("SEC"). Attached, please find the cost claim using the OEB's cost claim system.

We note that in addition to attendance over 3 days of the settlement conference by SEC consultant Jane Scott, we also claimed 2.2 hrs for the undersigned. This time was related to dealing with clarification questions, and consulting with respect to specific technical issues that arose during the negotiations that the undersigned had responsibility for.

For the purposes of cost claim categorization, where dockets include both reviewing evidence and preparing interrogatories, or reviewing interrogatory responses and preparing for the settlement conference, we have allocated 50% to each specific category activity. As a practical matter, each set of activities are done at the same time and so cannot be readily extricable (e.g. we are preparing IRs as we review the evidence). We have also included time under the 'Other Attendance' category for activities related to preparation and attending the pre-filing meeting.

All time claimed for the undersigned, as of September 2022, has been included as a separate participant to reflect the change in the hourly rate related to the change in the number of completed years of practicing, pursuant to the *Practice Direction on Cost Awards*.

Yours very truly,  
**Shepherd Rubenstein P.C.**
