Please stop this "arbitrary increase" based on "now we are big after takeover".

It is unfair to arbitrarily change everyone's rates simply because the government let them takeover Union Gas, which they are now utilizing as a sole reason to justify arbitrariness increasing rates to southern Ontario (Cambridge to Windsor)we the customers and I speak on behalf of 10M customers recommend to not reward Enbridge with increased profits and yearly bonuses because they were overcharging their Enbridge customers in the North which funded the takeover of Union Gas...this is only their first step to "TO BIG TO FAIL" market affecting takeover controlling the government...you are the only one which can stop them and push back....tell them to manage their expenses better if they want to earn their big bonuses...SAY NO to arbitrarily cost increases to for Southern Ontario, tell them to manage their expenses better...do not give them bonuses by simple market takeover and PRICE FIXING with no competition the customers can opt to....NOT FAIR RATIONAL...SAY NO!
