The Bill record shows our family paid \$128.75 on June 20, but July 19, Aug. 18 and Oct. 24 suddenly goes up more than 50-60% by \$192.75, \$199.43 and \$183.13, not 18-23% as the news released. If the gas rate goes up as the released news said, we can understand, but it was the fake news, because we paid more than 50% since July 2022. It is absolutely beyond our capability. Wish EOB can consider the increase rate. Thanks
