My bill has doubled for compared to last year - Nov. 2021 I paid \$93 and used 174m2. In Nov. 2022, I used 166m2 and paid \$182!!!. It's simply unacceptable that you are charging us more for less. This rate increase is unfathomable. You should be reducing rates for customers. Cut the astronomic wages of executives and run a more efficient business.
