Hi,

Enbridge has not been transparent in this application. The notice I received states that rates would be an annual increase of 28 to 91\$. These numbers are inaccurate. My monthly invoice increased by 20\$. This is 240\$/year. Please do not let this private company take advantage of Ontarians. Enbridge gas is an essential service and should not be allowed to raise their rates as they wish. As a health care worker, my salary increase is 1%/year. Please review and regulate rates ASAP.

Thanks,

Nadia Dore
