LETTER OF COMMENT

Comments:

Enbridge's request for a natural gas rate and other charges increase is pernicious and full of greed. In the quarter ending 30 September, 2022, Enbridge saw a profit increase of 19 percent. That ladders up to 3.787B dollars and a gross profit for the 12 months ending 30 September, 2022 of 15,653B dollars. An increase of 8.47 percent vs 2021. People are struggling to make ends meet. Maybe a year of modest gains should be enough for Enbridge versus causing more hardship for so many people. The greed factor leaves me without words. Thank you
