**VIA RESS AND EMAIL**

Nancy Marconi, Registrar  
Ontario Energy Board  
2300 Yonge Street, 27th Floor  
Toronto, ON M4P 1E4

Dear Ms. Marconi:

**Re: EB-2022-0013: Alectra Utilities Corporation, Incremental Capital Module  
Application for 2023 Electricity Distribution Rates and Charges**

---

Further to Alectra's cost objection letter dated January 9, 2023, please be advised that the 4.0 hours in BOMA's Cost Claim that were entered as "Written Submissions" were entered as such in error. These 4.0 hours should have been entered as 1.5 hours of "Review Application and Evidence" and 2.5 hours of "Communication With Client" as illustrated in the invoice from Enerlife attached to BOMA's Cost Claim. Specifically:

- 1) 1.5 hours of "Review Application and Evidence" correlates to the dockets from August 18, 2022 and September 16, 2022; and
- 2) 2.5 hours of "Communication With Client" correlates to the dockets from July 18, 2022, July 19, 2022 and July 20, 2022.

BOMA respectfully requests that its Cost Claim be allowed as submitted.

Yours truly,

**FOGLER, RUBINOFF LLP**
