Dear Ms. Zimmer:

Re: **Application for leave to construct the Hidden Valley Community Expansion Project**
OEB File Number: EB-2022-0249

On December 20, 2022, Enbridge Gas Inc. (Enbridge Gas) filed an application for leave to construct the Hidden Valley Community Expansion Project. On January 10, 2023, the Ontario Energy Board (OEB) issued a letter informing Enbridge Gas that it had commenced its review of the application.

On January 19, 2023, Enbridge Gas informed OEB staff that it was considering changes to its application which could impact the map that is to be included as part of OEB's Notice of Hearing. Accordingly, Enbridge Gas has requested that the OEB defer the issuance of the Notice of Hearing which was planned for January 20, 2023.

The OEB has determined that it will place the application in abeyance until the proposed updates are filed or Enbridge Gas determines that no changes are required to the application and map and notifies the OEB.

Any questions relating to this letter should be directed to the Case Manager, Petar Prazic, at Petar.Prazic@oeb.ca or at 416-440-7682.

Yours truly,

Nancy Marconi
Registrar
