Subject: Say NO to any Enbridge increase

Hello Energy Cost Decision Makers:

Please say NO to any increase in our cost for the heating of our homes this winter. NO means no increase!!!!

No new vehicles....

No salary increases.....

No additional expenditures....

It is very simple. Call your parents and grandparents and ask them how much of an increase they received this year in their income. With the inflation, anyone in their right mind would not be suggesting increases in such costs. Be happy with the wonderful annual salary you receive. Trust us, it is already a great deal more than most folks are receiving.

All the best for the Holiday Season;

Ken
