Dear Mr. VanRuymbeke:

Re: **Application for leave to construct the Mohawks of the Bay  
of Quinte Community Expansion Project  
OEB File Number: EB-2022-0248**

On December 20, 2022, Enbridge Gas Inc. (Enbridge Gas) filed an application for leave to construct the Mohawks of the Bay of Quinte Community Expansion Project.

On January 24, 2023, Enbridge Gas informed OEB staff that it was considering revisions to its pre-filed evidence which could impact the map that is to be included as part of the OEB's Notice of Hearing.

Although the OEB had completed its preliminary review of the application, the OEB is unable to proceed with processing the application at this time. The OEB has therefore determined that it will place the application in abeyance until the proposed updates are filed or Enbridge Gas determines that no changes are required to the application and map, and notifies the OEB.

Any questions relating to this letter should be directed to the Case Manager, Zora Crnojacki, at [Zora.Crnojacki@oeb.ca](mailto:Zora.Crnojacki@oeb.ca) or at 416-440-8104.

Yours truly,
