Dear: Mr. Lewis:

**Re: Request for Intervenor Status - Ontario Petroleum Institute Inc.  
Enbridge Gas Inc. (Enbridge Gas) 2024 Rebasing Application  
OEB File Number: EB-2022-0200**

This letter is in response to your request for late intervenor status on behalf of the Ontario Petroleum Institute Inc. (OPI) in the above referenced application. OPI's request stated that it will not be requesting cost award eligibility in this proceeding.

No objection was received from Enbridge Gas.

The OEB is satisfied that OPI has a "substantial interest" in the proceeding within the meaning of Rule 22.02 of the OEB's Rules of Practice and Procedure and is approved as an intervenor.

OPI is required to accept the record of the proceeding as it stands and refer to the procedural schedule set out in Procedural Order No. 1.

Please direct any questions relating to this application to Case Manager, Khalil Viraney, Senior Advisor at 416-440-7729 or [Khalil.Viraney@oeb.ca](mailto:Khalil.Viraney@oeb.ca).

Yours truly,

Nancy Marconi  
Registrar
