**Re: Report of the OEB – Framework for Energy Innovation: Setting a Path
Forward for DER Integration
OEB File Number: EB-2021-0118**

The Ontario Energy Board (OEB) is pleased to issue its Report *Framework for Energy Innovation: Setting a Path Forward for DER Integration* (the Report).

The Report sets out the OEB's policy determinations and next steps in response to the Framework for Energy Innovation (FEI) consultation. The issuance of the Report marks the conclusion of the FEI consultation.

The Report is available on [Engage with Us: Framework for Energy Innovation](#).

The OEB thanks the FEI Working Group members for their tremendous contributions, as well as all other participating stakeholders who shared their perspectives.

Any questions relating to this consultation should be directed to FEI@oeb.ca.
