# Green Button Implementation Distributor Progress Report

(Updated as of February 2, 2023)

**Reporting Period:**

**Distributor Name:**

OEB Staff Question	Distributor Response
1. Has the distributor completed its implementation of Green Button consistent with Ontario Regulation 633/21? If yes, please advise of go-live date. If no, please complete questions 2-6 on this form.	
2. Is the distributor managing Green Button implementation internally or through an external vendor? If through an external vendor, please indicate which vendor.	
3. Does the distributor have a project plan in place to implement Green Button? If no, please advise when distributor expects to have a project plan in place.	
4. Please indicate the overall percentage of completion of your Green Button implementation plan.	
5. Please indicate the month when the distributor expects to be certified with Green Button Alliance (GBA) for Download my Data (DMD) and Connect my Data (CMD).  If the distributor has not submitted a request to the GBA to test and certify the distributor's Green Button implementation, please indicate the date it intends to submit its request.	
6. Please indicate the forecast go-live month.
