Re: Decision and Procedural Order No. 4 in EB-2022-0094

The OEB has issued its Decision and Procedural Order No. 4 for the generic proceeding to consider the price paid by rate-regulated natural gas distributors for natural gas produced in Ontario (System Access proceeding).¹

The Decision and Procedural Order No. 4 is being sent to all registered parties in the System Access proceeding and Enbridge Gas's 2024 Rebasing proceeding² because there are implications for the scope of both proceedings.

If requested, any intervenor in the 2024 Rebasing proceeding with an interest in system access issues related to rate M13, rate 401 and the proposed new rate E80 will be granted late intervenor status in the System Access proceeding.

Any questions relating to this letter should be directed to Ritchie.Murray@oeb.ca or at 416-440-5182. The OEB's toll-free number is 1-888-632-6273.

Yours truly,

Nancy Marconi
