HEARST POWER DISTRIBUTION COMPANY LIMITED

**Application for an Electricity Distribution Licence
Renewal**

BY DELEGATION, BEFORE: Brian Hewson

February 9, 2023

DECISION AND ORDER

Hearst Power Distribution Company Limited (Hearst Power) filed an application on November 15, 2022, with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for renewal of its electricity distribution licence ED-2002-0533, which is set to expire on March 31, 2023.

This Decision and Order is being issued by the Delegated Authority pursuant to section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the information filed by the applicant, the OEB finds that it is in the public interest to grant the application and renew Hearst Power's electricity distribution licence. For purposes of administrative efficiency, the licence is being issued under the same number as that of the expiring licence (ED-2002-0533). This will serve to simplify administration regarding existing rate orders and other forms of regulatory documents, as well as assist in maintaining continuity in the reporting of information by the distributor. The OEB has also taken this opportunity to update the licence by removing standard terms and conditions, and by removing an exemption from the licence, that are no longer in force or necessary. The licence is issued with a twenty-year term.

IT IS ORDERED THAT:

1. Hearst Power Distribution Company Limited's application for the renewal of its electricity distribution licence is granted, on such conditions as are contained in the attached licence.
