February 16, 2023

DECISION AND ORDER

HCE Energy Inc. filed an application on January 27, 2023, under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for renewal of its electricity generation licence.

This Decision and Order is being issued by the Delegated Authority, pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

HCE Energy Inc. owns and operates a natural gas co-generation facility with an installed capacity of 3.5 MW, located in Hamilton, Ontario. The facility provides electricity, cooling and heating to its customers in the City of Hamilton.

After considering the application and assessing the technical capability and financial viability of the applicant, the OEB finds that it is in the public interest to grant the application and issue an electricity generation licence to HCE Energy Inc.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
