EPCOR Electricity Distribution Ontario Inc.

**Application for electricity distribution rates and other
charges beginning January 1, 2023**

**PROCEDURAL ORDER NO. 6
February 17, 2023**

EPCOR Electricity Distribution Ontario Inc. (EPCOR Electricity Distribution Ontario) filed a cost of service application with the Ontario Energy Board (OEB) on May 27, 2022 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that EPCOR Electricity Distribution Ontario charges for electricity distribution in the service area comprised of Collingwood, Stayner and Creemore (part of Clearview Township) and Thornbury (part of The Town of the Blue Mountains), beginning January 1, 2023.

EPCOR Electricity Distribution Ontario subsequently filed additional evidence on September 14, 2022, in support of an effective date of October 1, 2023.

In accordance with Procedural Order No. 5, a transcribed virtual oral hearing commenced on February 14, 2023, and concluded on February 15, 2023. As a preliminary matter at the hearing, EPCOR Electricity Distribution Ontario's counsel requested a one-week extension of the due date for its reply submission, from March 20, 2023, to March 27, 2023, on the basis that some of the utility's staff may not be available during the March Break school holiday, and that the extension would assist EPCOR Electricity Distribution Ontario in reviewing intervenor submissions and preparing its reply on the outstanding issues. Based on the reasons provided, the OEB grants EPCOR Electricity Distribution Ontario's request for a one-week extension to file its reply submission.

At the conclusion of the hearing, EPCOR Electricity Distribution Ontario was directed to file all undertaking responses by February 24, 2023.

This Procedural Order addresses both of these matters.

The OEB considers it necessary to make provision for the following matters related to this proceeding. The OEB may issue further procedural orders from time to time.
