Good Evening,

I am sorry I have missed the deadline, but I am most interested in attending the Consultation of Issues Relating to Low Income Consumers.

I would like the opportunity to both **participate** and **present** on behalf of the City of Hamilton. I currently manage our utilities arrears program which assists low income individuals and families with disconnections or threat of disconnection of utilities. I understand from Marika Hare of OEB that the information I have to provide may be useful to the consultation.

Thank you for this opportunity and I look forward to hearing from you.

Regards,

Kerry L. Lubrick
