Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (“Enbridge Gas” and the “Company”)
Ontario Energy Board (“OEB”) File No. EB-2022-0111 (the “Application”)
Bobcaygeon Community Expansion Project
Request for Adjournment Update – Extension Request**

This letter is further to Enbridge Gas’s October 31, 2022, correspondence in which Enbridge Gas informed the OEB of the completion of the Company’s updated market analysis and requested that the OEB continue to hold the Application in abeyance to allow time for the Company to interpret the analysis and its implications to the Application.

At this time, Enbridge Gas continues to assess the results of the updated market analysis and its implications to the Application, and is requesting that the OEB continue to hold the Application in abeyance until no later than June 30, 2023, by which time the Company expects to have completed its assessment and to file any necessary evidence updates.

Consistent with the Company’s October 31, 2022, correspondence, as Procedural Order No. 1 has not been issued the continuation of abeyance sought by Enbridge Gas does not cause any prejudice to intervenors.

If you have any questions, please contact the undersigned.

Sincerely,

Haris Ginis
