DECISION AND ORDER

Axis Meter Solutions Inc., filed a complete application with the Ontario Energy Board (OEB) on February 1, 2022, under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) for a unit sub-metering licence. The licence would allow the applicant to provide unit sub-metering services to consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the technical capability and financial viability of the applicant, the OEB finds that it is in the public interest to grant the application and issue a unit sub-metering licence to Axis Meter Solutions Inc.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
