March 14, 2023

DECISION AND ORDER

Canadian Hydro Developers, Inc. (CHD) filed an application on December 22, 2022, under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for renewal of its electricity generation licence.

This Decision and Order is being issued by the Delegated Authority, pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

CHD owns and operates two hydroelectric generation facilities located in Northern Ontario, with total installed capacity of 4.25 MW. The output from CHD's generation facilities is being sold to the Independent Electricity System Operator pursuant to power purchase agreements.

After considering the application and assessing the technical capability and financial viability of the applicant, the OEB finds that it is in the public interest to grant the application and issue an electricity generation licence to Canadian Hydro Developers, Inc.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
