ONTARIO ENERGY BOARD

Dear Ms. Walli:

Re: Enbridge Gas Distribution Inc. ("Enbridge")
2018 Earnings Sharing and Deferral and Variance Account Clearances
Application ("Application")
Ontario Energy Board ("Board") File Number EB-2018-0131
Settlement Proposal

In accordance with Procedural Order No. 1, dated August 10, 2018, enclosed please find the Settlement Proposal for the above noted proceeding.

The Settlement Proposal includes a complete settlement of many of the Deferral and Variance Accounts requested to be cleared in this proceeding. The list of "Settled Items" is described in the Settlement Proposal. As explained in the Settlement Proposal, only one of the "Settled Items" results in any changes from what is set out in Enbridge's Application and pre-filed evidence.

Enbridge requests that the Board approve the Settlement Proposal, and also approve the clearance of all of Enbridge's Deferral and Variance Accounts sought for clearance that are not included in the Settlement Proposal. These other Deferral and Variance Accounts were not listed as items that are cost-eligible in the Board's July 25, 2018 Notice of Application in this proceeding. The complete list of Deferral and Variance Accounts sought for clearance in this proceeding, and the associated balances and interest amounts, can be found at Columns 3 and 4 of Appendix A to the Settlement Proposal.

The Draft Rate Order associated with Enbridge's Application, which incorporates the one change set out in the Settlement Proposal, is being filed under separate cover, along with supporting written evidence. Enbridge notes that other parties have not reviewed and/or accepted the Draft Rate Order.

Enbridge requests that the Board review and approve the Settlement Proposal, as well as the Draft Rate Order. Enbridge respectfully requests a Board Decision on these items by late November, so that the Deferral and Variance Account clearances can be implemented in conjunction with the January 1, 2019 QRAM Application.

The Settlement Proposal has been filed through the Board's Regulatory Electronic Submission System (RESS) and will be available on the Enbridge website at www.enbridgegas.com/regulatory-proceedings.

Please contact the undersigned if you have any questions.
