ONTARIO ENERGY BOARD

Dear Ms. Walli:

Re: EB-2018-0205 – Enbridge Gas Inc. – 2019 Federal Carbon Pricing Program Application – Interrogatory Responses

Effective January 1, 2019, Enbridge Gas Distribution (“EGD”) and Union Gas Limited (“Union”) amalgamated to become Enbridge Gas Inc. (“Enbridge Gas”). On January 11, 2019, Enbridge Gas filed an updated and consolidated 2019 Federal Carbon Pricing Program Application (the “Application”) for the Enbridge Gas rate zones (EGD, Union North and Union South).¹

Pursuant to the Ontario Energy Board’s (“OEB”) Procedural Order No. 2 dated April 2, 2019, Enbridge Gas is filing the attached responses to interrogatories. These responses will be delivered to parties via email, will be filed on the OEB’s RESS and copies will be sent by courier to the OEB.

As stated in the response at Exhibit I.STAFF.12 Enbridge Gas is seeking clarity from the OEB with regard to the OEB’s intent for the proposed deferral and variance accounts. For the purposes of responding to interrogatories related to these accounts Enbridge Gas refers to these accounts as deferral accounts and has proposed revised and consistent accounting orders to reflect this. Enbridge Gas will comply with the OEB’s direction in this regard.

If you have any questions with respect to this submission please contact me at 519-436-4558.

¹ Collectively, the Union North and Union South rate zones are referred to as the “Union rate zones”.

Yours truly,

A handwritten signature in black ink, appearing to be 'AS', written in a cursive style.

Adam Stiers
Technical Manager, Regulatory Applications
