Amendment to Schedule 1 of Electricity Generation Licence EG-2001-017 and EG-2002-0266

Dear Sir/Madam

Jungbunzlauer Canada Inc. located at 1555 Elm Street, Port Colborne holds licence EG-2001-017.
Ingredion Canada Corporation, 55 Invertose Drive, Port Colborne holds licence EG-2002-0266.

On December 15, 2015 Jungbunzlauer Canada Inc. purchased the assets of Ingredion Canada Corporation located at 55 Invertose Drive, Port Colborne. This acquisition included the cogen unit of two 5Megawhatt turbines. Since the properties are adjacent the municipality agreed to change 55 Invertose Drive to 1555 Elm Street.

During the executing of the acquisition, the transfer of the licence was overlooked.

I kindly request an amendment to Schedule 1 of EG-2001-017 to include the cogen unit previously held under EG-2002-0266.

Enclosed is a copy of a letter from Ingredion confirming the request of transfer and documents from the City of Port Colborne regarding the change in address.

If there is any additional information, please contact me directly at Sharon.Grant@Jungbunzlauer.com or 905-835-3272.

Kind Regards

Sharon Grant

Administration
