Nancy Marconi, Registrar  
Ontario Energy Board

VIA RESS AND EMAIL

Dear Ms Marconi:

**Re: EB-2022-0200 - Enbridge Gas Inc. 2024-28 Phase 1 Technical Conference**

I am writing on behalf of GEC pursuant to Procedural Order #1 to provide the topic areas we anticipate exploring and time estimates for the technical conference.

We expect to be:

150 minutes with Panel 2 (Energy Transition)

10 minutes with panel 4 (Rate Base, Post-Construction Financials, Capital Expenditures, AMP, Capital Planning, IRP)

45 minutes with panel 8 (Depreciation Costs (including SRC))

10 minutes with panel 9 (Cost of Capital, Capital Structure, Equity Thickness)

As we have not finished our review of the IRRs it is possible that we may have a few questions for other panels, but would not expect the time required to be significant should that occur.

Sincerely,
