Dear Ms. Marconi:

Re: EB-2022-0200 – Enbridge Gas Inc. (EGI) Application for 2024 Cost of Service Rates.

Industrial Gas Users Association (IGUA) Technical Conference Topic Areas and Time Estimates

Pursuant to Procedural Order No. 1 herein, we write to identify our current topic areas of interest and time requests for the scheduled Technical Conference. We are continuing to review EGI's interrogatory responses and may adjust and/or supplement our requests for time as that review continues.

In response to EGI's request for indication of interest in directing questions to EGI's external experts, we would like to be able to direct clarification questions to the Concentric experts who authored evidence and interrogatory responses related to depreciation and cost of capital.

Panel	Topic	Time Estimate (mins)
5	PDO	10
6	O&M Costs (incl. Enhanced DIMP)	10
8	Depreciation & Capitalization Policy	60
9	Cost of Capital	40
10	Cost Allocation & 2024 Rate Design	40

Yours truly,

Ian A. Mondrow
