Dear Ms. Zimmer:

Re: **Enbridge Gas Inc.**
Ridge Landfill RNG Project
Ontario Energy Board File No. EB-2022-0203

The Ontario Energy Board is in receipt of Enbridge Gas's application update dated March 27, 2023 and is resuming its review of the application.

On March 14, 2023, the OEB issued a letter advising Enbridge Gas that it was placing the application in abeyance, pending receipt of the Ministry of Energy's letter of opinion regarding the adequacy of the Indigenous consultation undertaken by Enbridge Gas. On March 27, 2023, Enbridge Gas filed an update to the application that included the Ministry of Energy's letter of opinion.

Enbridge Gas's application is no longer in abeyance as of March 27, 2023. The next step in the process will be to finalize and issue the OEB's Decision and Order.

Please direct any questions relating to this application to the Case Manager, Catherine Nguyen, at 416-440-7654 or Catherine.Nguyen@oeb.ca.

Yours truly,

Nancy Marconi
Registrar
