Dear Ms. Marconi:

EB-2023-0098 - Ontario Power Generation – Application for Variance Account

Ontario Power Generation (OPG) has applied to the Ontario Energy Board seeking approval to establish a variance account to record the nuclear revenue requirement impacts arising from the Ontario Superior Court overturning the *Protecting a Sustainable Public Sector for Future Generations Act, 2019* (Bill 124). On March 22, 2023, the Ontario Energy Board issued its Notice of Hearing and Procedural Order No. 1 establishing a proceeding to consider OPG's Application.

As an intervenor in OPG's 2022-2026 payment amounts proceeding the Consumers Council of Canada is seeking approval to participate in this proceeding and will be seeking a cost award for its participation.

Yours truly,

Julie E. Girvan
