Dear Ms. Marconi,

**Re: Independent Electricity System Operator
2023, 2024 and 2025 Fees, Expenditure and Revenue Requirement Submissions
Ontario Energy Board File No.: EB-2022-0318**

The Independent Electricity System Operator (IESO) is writing to confirm that the documents it filed on March 29, 2023 in support of its 2023, 2024 and 2025 Expenditure and Revenue Requirement Submissions do not contain personal information, as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*, that has not otherwise been redacted.

Please note that the IESO has requested confidential treatment for Exhibit E-2-1 Attachment 2 – Project Charter – Core Network Refresh, and Exhibit E-2-1 Attachment 3 – Project Charter – Enabling Resources Program. Redacted versions of these documents were filed with the IESO's 2023, 2024 and 2025 Expenditure and Revenue Requirement Submissions and do not contain personal information. Un-redacted versions of these documents were filed separately with the registrar via email which do contain personal information.

Please contact me directly at 416-710-0620 or at Beverly.Nollert@ieso.ca if you have any questions.

Yours truly,

Beverly Nollert
