Dear Ms. Laurie Ann Cooledge:

**Re: Newmarket-Tay Power Distribution Ltd.
Application for the Disposal of Accounts 1588 and 1589
Ontario Energy Board File Number: EB-2023-0109**

Newmarket-Tay Power Distribution Ltd. (Newmarket-Tay Power) filed a request with the Ontario Energy Board (OEB) on March 14, 2023, under section 78 of the *Ontario Energy Board Act, 1998* to dispose of the balances in two deferral and variance accounts.

Notice of Hearing and Procedural Order No. 1 was issued on March 24, 2023. In that document, the OEB asked that intervention requests be filed by April 10, 2023 for anyone who wished to participate as an intervenor.

On April 11, 2023, Vulnerable Energy Consumers Coalition (VECC) filed an intervenor form with the OEB asking for intervenor status in this proceeding. VECC was an intervenor in Newmarket-Tay Power's last cost-of-service application.¹

¹ OEB file number EB-2009-0205

This letter confirms that VECC is approved as an intervenor. VECC is eligible to apply for an award of costs under the OEB's [Practice Direction on Cost Awards](#).

Yours truly,

Nancy Marconi
Registrar
