Ms. Nancy Marconi, Registrar
Ontario Energy Board
2300 Yonge Street, 27th Floor

Dear Ms. Marconi:

**Re: Innpower Corporation (“Innpower”) 2024 Cost of Service Application
Ontario Energy Board (“OEB”) File No. EB-2023-0033**

We are legal counsel to Innpower in the above noted application. In a letter dated December 1, 2022, the OEB identified Innpower as one of the distributors on the January 1, 2024 rebasing list. The letter states that the OEB expects Innpower to file its rate application on a cost of service basis no later than April 28, 2023.

While Innpower’s staff and consultants have been working diligently and tirelessly on preparing an application for rates effective January 1, 2024, we are writing to inform the OEB that Innpower will not be in a position to file its rebasing application on April 28, 2023. Innpower will continue to use its best efforts to complete all remaining work to file its rate application on or before May 12, 2023.

Yours truly,

BORDEN LADNER GERVAIS LLP
