Dear Ms. Marconi:

HQ Energy Marketing Inc. ("HQEM") hereby requests intervenor status in the above captioned matter. HQEM is the Canadian power marketing subsidiary of Hydro-Québec outside the province of Québec. Hydro-Québec is one of North America's largest electric utilities – it is involved in transmission, distribution and generation of electricity from renewable energy sources, and in particular hydroelectricity. HQEM is a participant in the Ontario energy market, and sells into, buys from, and wheels energy through Ontario to other neighbouring control areas.

HQEM participated in the Ontario Energy Board ("OEB" or the "Board") proceedings in the last few years.

HQEM is not requesting cost eligibility.

We request that copies of all documents and correspondence pertaining to this proceeding be served on Hydro-Québec as follows:
