Re: EB-2022-0058 Westario Power Inc. Notice of Delay in filing 2024 Cost of Service Application.

Dear Registrar:

Westario Power Inc. (WPI) was scheduled to file its 2024 Cost-of-Service Rate Application on April 28, 2023, for Electricity Distribution Rates effective January 1, 2024. Unfortunately, WPI will not be able to meet the filing deadline.

WPI continues to work diligently on its application and remains committed to submitting a complete application that conforms to the most recent filing requirements by July 2023.

WPI regrets any inconvenience this delay may cause at the Ontario Energy Board.

Sincerely,

A handwritten signature in blue ink, appearing to read 'C. Schwippl'.
